

VOL. LV NO. 2 **FEBRUARY 2015** CHRIST HALL, KOZHIKODE

# FROM THE PROVINCIAL

#### THANK YOU FR. JACK!

Visitations continue to be times of grace. In Loyola, Aluva it was through a message of St. Ignatius to those sent on mission from the collections of Fr. Madukkakuzhy.

"Take care of your health, and take care that in attending to the needs of others you do not forget to take care of yourself. Take time for prayer, for examining your conscience, for the sacraments... When you cannot do everything, make sure that you first do the work you have been missioned to. Prioritize everything else. Prefer the spiritual to the corporal, the more urgent to the less urgent, the more universal to the particular, the lasting to the transient, if you cannot do both. See to it that the effects are lasting. Do what is needed and what you are good at doing. Be humble enough to start from the bottom and work your way up rather than trying to start at the top. Respect the Society and its head. Preserve its good name. Attract good men to carry on the work. ....

If ever there has been need for a Jesuit... to be countercultural it is now. No one can afford to succumb to the contemporary fear of silence, solitude and peace." (EpistIgn 12:251-53)

#### S.M.FARM, PARIYARAM

Bishop Alex Vadakumthala of Kannur diocese lighted the torch brought from the tomb of Fr. Zucol and thus set in motion the year-long Silver Jubilee Celebrations of St. Mary's Parish, Pariyaram, headed by Fr. Augustine Paruthipallil. On the last day of the Parish Feast celebrations, there was a Bible drama 'Arthaban' staged by a troupe from Trivandrum in front of a huge crowd and blessed by the Bishop himself who sat through the whole play, and later exhorted other Parishes to stage the same for their feasts. The Parishioners in huge numbers attended the 'Abhishekagni' Bible Convention led by Fr. Xavier Khan from Attapady and organised by the Diocese of Kannur at Mary Matha High School ground, Pilathara. Three Jesuits form S.M. Farm and all the Parish Priests of the Diocese participated in the retreat which saw a record crowd of about 12,000 people from Kannur as well as neighbouring Syrian Parishes.

Students of two classes from St. Michael's School, Kannur had exposure programmes for one day each at Samskriti Tarumitra Centre for environmental classes as part of the collaboration between Samskriti and St. Michael's. Fr. Rajesh Jose regularly gives sessions for various classes in schools on the same topic. During the month few more schools sent their students to the Centre for one-day programmes. Frs. Mathew Aerthayil, Rajesh Jose together and a member of Samskriti staff participated in the JESA Annual Generaal Body Meeting at Sameeksha, Kalady.

#### **AADI. ATTAPPADY**

Twenty seven students along with two staff from NGM College, Pollachi, were at AADI for a week for their rural and tribal camp. Miss Andriya and Taniya from Zomorano University were here for a week, thanks to Tarumitra, Patna, to take part in the activities of ERA (Eco Reserve Attappady).

The 4<sup>th</sup> Tarumithra Eco-Fest was celebrated with colourful programmes. **Fr Augustine Kallunkal**, Director of ERA gave the presidential address, Dr. C.R. Neelakandan inaugurated the fest and Mr. Showkathali (Green Community state secretary) was the guest of honour. More than 600 students participated from 40 institutions in the fest that included schools, ITI, polytechnic and colleges. The theme of the fest was 'RAIN'. Four schools from Tamilnadu were also present. It was indeed a day to celebrate mother earth.

AADI is proud to be part of the organizing committee of Adivasi sangamam at Attapady for further planning towards the implementation of the promises given by the Chief Minister and the Govt. of Kerala. **Fr. James Morais** and the staff are actively involved in it. Fr James took part in the Adivasi parliament held at Aralam Farm, Kannur.

#### LOYOLA, ALUVA

The month of January was filled with happy events and activities. On 31st December, we attended the ordination of **Dn. Vibin Padayadan**. It was a great spiritual expereince for all of us. The same night we ushered in the New Year with a Holy Mass at midnight. Our interaction with **Fr. Francoise Boedec**, the former rector of ours in Paris, was like a New Year gift as we came to know about the church in France and the Society's mission there. With a solemn Holy Mass led by **Fr. Biju Vadakkumchery**, we celebrated the Titular feast of the Society. Frs. Anil De Almeida and Lancy Dias of Karnataka province spent a few days with us. They enriched us with their sharings and party songs.

**Fr. Abraham Pallivathukal** led us through our monthly recollection, with a special focus on the impending "Cassok Day". **Fr. Provincial's** annual visitation from 14 - 17 of the month was indeed a time of grace for the entire community. He enthused us with his energy and love for life and exhorted us to strive for the Magis ever more. Another peak

moment of the visitation was the conferring of the Lay ministries of Reader and Acolyte on our first year brothers during the solemn Eucharistic Celebration on the 17<sup>th</sup>. Prior to that, the first year novices prayerfully received their first cassocks from the Novice Master. The presence of our elder Jesuit companions doubled our joy as we had arranged it also as a zonal Gathering of ours in the Ernakulam Zone. A short cultural programme and an exhibition of the paintings of the novices were also arranged on the same day.

Fr. Tom Panikulam conducted a beautiful course for us on the Autobiography and the Spiritual Diary of our founder father Ignatius. Through the goodwill and generosity of Fr. John Joseph from Japan, we now have two statues – of Our Lady and St. Ignatius of Loyola – installed on either sides of the chapel. All of our new priests celebrated Holy Masses for us and we are grateful to each of them: Frs. Augustine, Prince, Vibin, Sooraj and Binu. Our prayerful greetings to you dear fathers for your priestly ministry!

#### SAMEEKSHA, KALADY

As usual, Sameeksha was full of events at the outset of the New Year. The theme of monthly interreligious dialogue seminar (Dharmasameeksha) was 'the life values I encounter in Jewish Talmud', an engaging and thought provoking talk delivered by Fr J. Naluparayil MCBS. The two-day JESA General Body Meeting at Sameeksha reiterated the social commitment of the Jesuits and collaborators in the contemporary socio-political scenario. As part of their picnic, Fr. Anil Kochumethikalam and the Snehabhavan school family spent a day at Sameeksha. Mar Thomas Chakkiath gave an excellent message and Fr. Babu Paul, together with Fr. Varghese Kalaparambath, the college manager, lit the lamp of the AICUF Ernakulam Zone Navathi celebrations 'DINAM 2015' (Divine-Nature-Mankind) at Bharata Matha College, Trikkakara. The Zonal core team would lead the year-long 'DINAM 2015' to promote AICUF activities.

#### **JEEVIKA**

**Fr. Prakash Louis** had come over to Sameeksha to take part in the JESA GBM. The main purpose of his visit was to get to know the mission among the migrants in Kerala. **Fr. Sabu Malayil** accompanied him to different areas where the migrant workers

quietly live and work. In order to provide better service to the migrant workers in Kerala, Fr. Prakash and Sabu Malayil are seeking the possibility of connecting our mission with different Provinces in India.

#### **ATMAMITRA**

**Fr. Toby**, together with the Atmamitra team, led a three-day residential programme at Mount Tabor English School, Meppadi. Fr. Toby gave one-day programmes in various schools as well. #### LOYOLA, POOVAR

The people of Poovar have treasured memories of Rev. Fr. Antony Manipadam, whom they fondly called Velladiachan/ Kuyilachan/ Churattachan/ Kashayakaranachan and Vellakkaranachan. Being a solitary and foot soldier he reached out to the poor with food, medicine and education. On 15 January, we commemorated his eighth death anniversary with a Eucharist. We paid tribute to the founder of Loyola, Poovar, whose work among the poor emerged as a catalyst for significant socio-economic change in and around Poovar.

Nine of us (eight lay staff and Fr. Thomas) attended JESA general body meeting at Sameeksha, Kalady. Our staff found the meeting a great opportunity

to know more about different social apostolate centres of the province and to have a wider and deeper understanding on the Jesuit perspectives on social action. With immense gratitude we remember **Fr. Benny**, Kerala JESA coordinator and **Fr. Xavier Tharamel**, **minister**, Sameeksha whose hospitality and warmth still linger with us.

It is heartening to see a renewed thrust on stabilizing our social action centres with financial support from established apostolic centres. Our experience of such back up from Loyola, Sreekariyam was highly encouraging and reassuring. I thank you **Fr. Joye James**, the Rector and the Loyola community for making us feel that we are part of your priorities.

#### SATYANILAYAM, CHENNAI

We, the Satya Nilayam Community, began the New Year with much vigour and renewed energy after the pilgrimage to Goa. There were a couple of seminars organized on the campus apart from the regular classes. The Seminar on Philosophy, Science and Technology conducted at Satya Nilayam Campus by the Research Institute (SNRI) was well appreciated. We were also fortunate to listen to Fr. Francis Clooney on philosophy of religion. Fr E.P. Mathew presented a paper in the International Conference organized at JDV, Poona on Science, Technology and Values. He also presented a paper in the National Conference on Climate Change held in Poona College.

One of the major highlights of the month was the celebration of Pongal. It was a grand event and a big thanks to all the scholastics and fathers from Tamil Nadu who made this day a special one.

The first internal exam of the even semester kept us busy. It was a time for all of us to keep aside our rest and focus only on study.

#### **ASHA KIRAN, MANGALURU**

The New Year began with many new resolutions and a new zeal. This month kept us all busy with many activities in the college as well as in the community. Soon after the reopening of the college we had our 1st internal exams, which in fact forced us to recover fast from the festive mood. Indeed we were glad to receive Fr. Vibin Padayadan, the newly ordained priest of our province. Our joy was doubled when Schs. Midhun, Emmanuel and Bastin visited us after their Triduum in Mangaluru. On 12th the Aloysius Institutions celebrated their 135 years of existence (Foundation Day) with a Holy Eucharist. The Rector of Aloysius Institutions was the main celebrant and Fr. Louis Prakash, Director of ISI Bangalore, Inspired us with his meaningful homily. Fr. Jossie Lobo (KAR) guided us in recollection on 16th and 17th. We spent time in reflecting and sharing on our 'vision' and 'Mission' of Asha Kiran. The 'Vision' of each Ashakiranite is "Called to be integrated men in Christ's Mission". On 20th we had Annual Sports Day in which many of us (Scholastics) won prizes. We visited the shrine of St Lawrence at Karkal as a pilgrimage. Sch Gijo is busy with his 1st internals in Aloysius community.

#### INIGO SADAN, BANGALORE

"I have finished my race"; the words of St. Paul came true in our community. Fr. Joy Fernandes departed from us on the 31st December 2014. He died of a massive stroke. He was indeed a man for all seasons and a living witness of Christ. People came in large numbers to bid him farewell for his next life in heaven. All of us really miss his laughter, joy and other qualities. Dear Father Joy, you did your best for each of us. May God grant you Eternal Rest!

The Archbishop of Bangalore Archdiocese, Most **Rev. Bernard Moras**, blessed our community with a special visitation on the 28<sup>th</sup> January. We felicitated him on his ten years as the Pastoral Leader of the Diocese. The Archbishop appreciated the works of Jesuits in Karnataka and assured his support for the future endeavours. He also asked us to pray for him and the Diocese. It was a wonderful time with the Archbishop. He was spontaneous and we experienced the simplicity of the Archbishop through his deeds and words.

On the 30<sup>th</sup> January, we had a special month's mind Eucharist for the repose of the soul of **Fr. Joy**. The Rector, **Fr. Anil D'Mello**, was the main celebrant. The staff of St. Joseph's school, boarders, hostellers and other well-wishers participated in the Eucharist. It gave us the opportunity to remember him again and pray for him. It was also a sign that people did not forget him, but loves him more.

St. Joseph's Community College in our campus had the Decennial celebration of the Institution. It was a wonderful event named as "Waves". Students from different Community Colleges took part in the competitions. Fathers and Regents had worked hard to make it a grand success. We saw their efforts and it was fruitful. Hats off to all the Fathers and the Regents!

#### DE NOBILI COLLEGE, PUNE

The DNC community welcomed the new-year with a three-day Triduum guided by Fr. Cyril. We were privileged to have the presence of many internationally renowned philosophers and scientists in our campus for the international seminar on science and religion. Two of our province men Frs. E.P. Mathew and Binoy Pichalakkattu presented their papers and were very well appreciated for the insights and reflections. The highlight of the month was the much awaited Diaconate of our third year theologians. Sch. Manesh Jerald, along with other twenty one third year theologians, received Diaconate from Bishop Francis Serrao of Shimoga diocese. Sch. Tinu Francis played an important role as the liturgy coordinator for the diaconate ceremony. Presence of Fr. Rachans doubled our joy. The annual visitation of POSA, Fr. George Pattery and ADF, Fr. Irudaya Raj, was a time of serious discussions and reflections on the formation of scholastics in our community. Both of them won our hearts with their new visions on the future of the Society and the formation of Scholastics. Life in DNC is becoming livelier as Balamelas and many seminars are around the corner.

# **HEYTHROP COLLEGE, LONDON**

The mild winter weather is on its way out as the biting cold returned last week with snow and piercing wind for much of the UK. The Lent term

in Heythrop College commenced on the 5th of January and moves on to its first break beginning the second week of the February. Heythrop, the oldest constituent college of the federal University of London is going through a process that seriously considers a possible partnership with the St. Mary's University to develop and maintain the mission of Heythrop in the present challenging scenario. Deepak and Thomson are in retreat as preparation for their Diaconate Ordination which is scheduled to be held on Saturday, the 7th February at St. George's Cathedral in Southwark. His Grace, Peter Smith, Archbishop of Southwark will ordain them along with eight other Jesuit Scholastics from different parts of the world. Please keep them in your prayers.

#### FROM FR JOSE THACHIL

Greetings and love from Fr. Jose Thachil. I want to thank Fr. M.K.George, our provincial, and each one of my dear friends in the province for the love and concern you showed at the moment of our pain at the death of my mother. Many of you came; some of you called; messaged and all of you prayed. Let me thank in a very special way the sameeksha, Aluva Loyola, Lumen and ICTA communities for their special presence. I felt really belonged; loved and supported. Thank you very much.

The last year was indeed a busy year for us here at National CRI, Delhi, conducting more than 24 national level training programmes for various groups like Major Superiors, Local Superiors, Formators and young religious etc. All programmes were over booked by 30 to 80 % and had to oblige because of great demand. I also had a number of retreats and other programmes other than the CRI programme.

We inaugurated the Consecrated Year at Ranchi with a three-day seminar having 280 participants and with a public meeting of the faithful of Ranchi Archdiocese in which 20,000 participants were present. We are busy scheduling programmes for the year of consecrated life. At present I am in Sitagarha, Hazaribag organizing five seminars for the religious and priests of the diocese.

#### FROM THE CHINESE PROVINCE

I was particularly happy to meet my good friend, Fr Adolfo Nicolas, our Father General, in Taipei and to receive his special Blessing & Wishes on January 15 before leaving on my new 4-month mission to Dili, EAST TIMOR. I also had the visit of a good Old Boy, Deepu John(LOYOLA 1986). who had come all the way from California for a 2-day Meeting. After spending over 10 years in the Chinese Province(5 in XIAMEN, Mainland China, and a little more than 5 in TAIPEI, Taiwan), I received a number of farewells, some quite touching. On the 19th morning, the Community and some other friends gathered at the door to say their final Goodbye. Our Rector and Br Kuriakose(Calcutta) accompanied me to the airport. All went well from start to finish: Taipei-HongKong-Bali-Dili. DEO GRATIAS!!! It is interesting to note the following: I arrived in XIAMEN on August 27, 2004, the Feast of St Monica; I arrived in TAIPEI on September 24, 2009, in the good old days the Feast of Our Lady of Ransom. I arrived on mission here in DILI on January 20, 2015, the 35th Anniversary of my FINAL VOWS in the presence of our then Father General, the Venerable Pedro Arrupe, in Vidyajyoti, Delhi! Nothing happens by accident; GOD ALWAYS PROVIDES! I am teaching our Novices & Candidates daily and separately in different places, also correcting their Compositions, from Monday to Friday. On weekends I have already participated in a Priestly Ordination MASS and in 3 Sunday MASSES, each on a different hill. There are invitations to the Final Profession of Sisters and to a Religious House Blessing. One old friend here is Br Noel Oliver (Pune/Cambodia); two other friends are Sisters (Malayali & Japanese) who were at SNEHANILAYAM Special School, Chembumukku, Ernakulam. A few other Indian Sisters are scattered in different Congregations. GREETINGS to one and all from Manresa Jesuit Novitiate, P.O.Box 209, Lahane, DILI, TIMOR LESTE, (670)332-2272.

# INSTITUTE OF PEACE AND INTERNATIONAL RELATIONS, LUMEN, KOCHI

I am back in the province after completing my studies in Berkeley and already started the process of setting up our Province's proposed Institute of Peace and International Relations. The registered office of the Institute is almost set in Lumen. Kochi is providing adequate ambience and resources for the meaningful materialization of the vision of the project. The Institute hopes to achieve its goals through strategic plans of research facilities, publications, conferring academic degrees and certificates, spiritual development programs, and popularization campaign. The launching of the peace venture is envisaged to be a timely response to ensure our prophetic and transformative presence in the contemporary context of Kerala/India. The vision and mission of the Peace Institute is rooted in our rich Jesuit tradition and the unique Jesuit legacy.

The immediate project of the Institute is the publication of a Literary- Cultural-Scientific Magazine in Malayalam. Although the Church has so many publications, we lack a publication with a secular thrust. This concept has already been hailed by many of our Jesuit brethren as well as the secular literary, scientific, cultural heads who are collaborating with us. Our focus is to engage the secular audience of Kerala along with the Christian faithful. Though its main focus is to instil Christian values and to propagate the authentic human and Christian ideals, it will not be limiting itself to a Christian agenda, but one open to the wider public. In this sense, it will be a significant contribution of our province to the larger Kerala public, by way of reaching out to the world outside.

As part of initiating other activities of the Institute, a national seminar on Mutli-culturalism will be held in Lumen in collaboration with the Indian Council for Philosophical Research (ICPR) Delhi, and Sree Sankaracharaya Sanskrit University, Kalady on 12-13 February 2015. We are also planning to organize a few more conferences/seminars in our centres in Calicut and Pariyaram in the forthcoming months.

Dear all kindly continue to pray for this innovative mission of our Province.

# KERALA JESA ANNUAL GENERAL BODY MEETING

Kerala JESA annual general body meeting 2014-2015 was conducted on 25<sup>th</sup> and 26<sup>th</sup> January at Sameeksha, Kalady. The meeting gave us ample opportunity to reflect on 'our faith that constantly prompts us to be just and do justice, not only in our personal life but also in our collective life

and invites us to be with the poorest of the poor, keeping Jesus as our model'.

The programme started with the orientation for the meeting by Fr Aerthayil. Fr Provincial and Fr Sannybhai put forward their expectations of this meeting in the inaugural function. Fr Provincial highlighted the need for reviving the capacity to dream, moving from charity-based social work to social action, being generous to do 'difficult but the most needed thing' and asking reflexively what more could be done to realize our collective dream. In his introductory talk, Fr Sannybhai noted, "Annual General Body Meeting is a unique feature of Kerala JESA". He showed how the current trend of governance is going against our fundamental rights and the constitutional values of secularism and socialism.

Dr Prakash Louis, Director, ISI Bangalore, challenged the Jesuits and their co-workers to reach deeper and wider into the socio-politico intricacies around us. He also commented upon the commendable interventions of Kerala Jesuits in the past, in getting the rights of fisherfolk and Dalits recognized in the mainstream society. He also pointed out some of the achievements of Jesuits like working in the field of social action with option for the poor, evolving strategies to deal with social issues focusing on both local (micro) and global contexts in a participatory manner, enhancing capacities of the underprivileged, and protecting human rights. Our future course of action needs to focus on three areas: 1) research on social issues that affect our priority communities, 2) capacity enhancement of the priority communities, our social action teams and Jesuits, and 3) networking and advocacy.

Fr Sannybhai talked on Bhopal statement, rights-based social action and campaign for implementation of National Food Security Act (NFSA). He spoke about the present political condition of our country in which RSS is openly influencing BJP. In the context of increasing corruption, he shared about the need for collective action in connection with NFSA. Collective action on NFSA will create more opportunities for us to collaborate and network with Jesuit and other non-Jesuit organizations. Mrs Lilly Pallokkaran talked on gender justice and highlighted all women's rights and encouraged the participants to fight for their rights. During the evaluation of the

programme, specific comments were made on the good board and lodge arrangements. Participatory method and choice of topics were well appreciated by the participants. Special mention was made of the good sessions by Fr Prakash Louis, Sannybhai and Lilly Pallokaran.

Based on the sharing during the sessions some suggestions emerged: 1) Once in two weeks there could be some communication from the social action centres, 2) A write-up of each centre in a few lines regarding its activities with a good profile photo is to be sent to the curia as soon as possible, 3) Vision and mission-based planning is required when annual plan of action is chalked out and budgeted, 4) JESA evaluation by a core team, 5) inclusion of items like report writing, NGO management, LFA and Project proposal in the training programme envisaged, and a common seminar to be organized by JESA (With Fr James Morais as the core team leader).

After a common lunch at the former Regional Theology premises, the participants had an outing to Athirapally Waterfalls. The annual general body meeting of Kerala JESA left behind some pleasant memories of togetherness and encouraged us to work together to make a difference wherever we are. Special thanks to all the resources persons and Fr Provincial for inspiring and challenging us to be just and do justice in our chosen field of activities.

(Special thanks to Fr Thomas K.J., Director, Loyola, Poovar and Mr Rajesh, Assistant Director, Sneharam, Anchuthengu for their reports.)
