RE-VISITING HOLY CROSS, WORCESTER

For a year (2008-09) the Holy Cross Jesuit Community and the sprawling hill (Mt. St. James) had been a home for me. Ever since, the hill and the community remain a sweet memory. Hence, a chance to spend two days on the hill was a welcome blessing. The proverbial Jesuit hospitality of Holy Cross and knowing almost everyone in the house made a big difference.

The campus surprised me with the growth in the number of students, obviously due to the improved quality of education provided, and the state-of-the-art infrastructure. The brand new contemplative Centre on a small hillock, looking down a vast reservoir, is indeed a real winner.

Two factors, among many others, stand out in the growth of the Holy Cross- the energy drawn from the Jesuit Heritage, and the culture of giving of the alumni.

The college has a full time Mission office and a full chaplaincy, both working with the College community to draw energy from the sources of Ignatian Spirituality. The campus reminds one constantly of the core values of Ignatian spirituality, be it through the posters hanging in the campus or the variety of programmes offered to the students and faculty.

The culture of giving among the alumni and the management – almost 64 per cent of the students have received substantial subsidies for their studies- is amazing. Since my last visit a few dorms, an extended athletic Centre and other infrastructural renewals had happened. An indoor auditorium sponsored by an anonymous donor stands as a loud witness to the selfless giving by the alumni.

How do we create such fierce devotion to the Jesuit Heritage and culture of giving in our institutions?

SARVODAYA, EACHOME

Fr V T Jose handed over charge as Superior to **Fr E J Thomas** on May 6, and left for IRC, Pariyaram to join his new community. **Fr Baby Chalil**, Manager of Sarvodaya School for eight long years, also handed over charge to Fr E J Thomas on May 22, and moved to Prasanthi, Pachilakad. Sarvodaya School and the Jesuit community are grateful to both of them for their tireless efforts to uphold our mission at Sarvodaya at a critical moment. The size of the Jesuit community has come down to three; the harvest is plentiful, but the labourers are few. The HS and HSS sections have transformed their class rooms into hi-tech rooms supported by KITE and furnished with laptops and multimedia projectors under the general education protection campaign. **Fr Wilson** and Mr. Thomas, Principal, organized a special staff meeting to thank the staff and to celebrate the glorious result the school achieved in this year’s SSLC and HSE examinations. Forty six ST students passed SSLC and sixteen ST students passed PLUS TWO, and the School has 100 % pass in SSLC English medium and 100 % in Plus Two Science. Given the background of the students, this result has boosted the confidence of Sarvodaya campus. **Fr Biju George** attended the training programme for the HSS staff. **Fr Anto Muringathery** was the external member of the board for the selection of staff for LPST. Our visitors during this summer include the batches of Jesuit Novices and Scholastics.

Cultural programs like *Gadhika*, *aattam pattu*, *kaikottikali*, nattaraggu and different traditional art forms were staged. More than 1500 Tribals from Wayanad witnessed the program. **Fr M K George**, our Provincial also was present.

Students from the Arivuda tribal boarding came out with good results in SSLC and Plus Two exams. One of them got full A+ in SSLC. This year we expect 50 students in the boarding. We have appointed Mrs. Chithra Lekha as boarding warden cum mentor this year. Lok Manch organized a two-day workshop for the community leaders at TUDI Kalakendram in which 30 community leaders from 20 pockets participated. The workshop was inaugurated by **Fr E J Thomas** and presided over by Mr. Gireesh, Panchayat Ward Member. Topics of the workshop included PESA (Panchayat Extension to the Scheduled Areas) 1996 and Social Audit.

ST MICHAEL'S KANNUR

The community was saddened by the sudden demise of Mr. Mathew, the elder brother of **Fr Dominic Madathaniyil**. Much renovation and development works took place in St Michael's School in the summer months under the able leadership of Fr Dominic. It involved painting of the whole school, laying tiles in the class rooms and bringing the whole school under CCTV surveillance. Many students brought accolades to the school this year. 20 students won USS scholarship and 14 students secured LSS scholarship. Master Athul Regunath won the 26th rank in the national JEE B. LOYOLA, ALUVA

By the end of the first week of May all the novices returned to the community with new vigor and enthusiasm after their Mission & Hospital Experiments. These Experiments were indeed very challenging and enriching in many ways. In the second week of the month **Fr Sunny Jose** gave the novices a course on *Jesuit*

History in India. The lives and works of early Jesuits in India and Kerala were inspiring. Thank you, Sunny Acha! The second years had their home visits, too, during this month. The last week of the month was filled with fun and frolic as we, the novices, were enjoying our holidays at Pachilakad. We are deeply grateful to **Fr Rachans** and all the other Fathers at Pachilakad for their warm hospitality. On the way back we were privileged to spend a day at Christ Hall. Meeting the senior Fathers & Brothers was a moving experience for us. Thank you, **Frs Reji, Thottan & the other Fathers!**

The number of volunteers who helped the smooth running of the camps were 13 including three Muslims. Thanks to our Scholastics who chipped in to assist the camps. Another highlight of our Summer activities was the NLP programmes given to the staff of St. Paul's School, Kalamassery and Vimala Central School, Karamcode. We wound up this month with our regular four-day retreat for lay people.

PIUS X ITI, EDATHUA

Many years ago Pius X ITI had a production centre attached to it. About 15 years ago the production unit was closed and the concerned Electrical Department was informed about it. In 2011 the Electricity Department inspected our Institution and found that we were using 25 Kilo watts instead of 16 Kilo watts that was allotted to us, and they issued a demand notice for Rs. 1,78,230/.

Since we were regularly paying the electricity bills, we complained to the Department. Several times we were called to explain our position on the payment. We also employed an Advocate to plead our case with Department and in the Consumer Disputes Redressal Forum, Alappuzha. Finally, the Consumer Disputes Redressal Forum issued an Order on March 14, 2018. It said, "In the light of the discussions the demand notice for 1,17,8230/- is squashed. The Electricity department is directed to issue provisional assessment order afresh, giving all opportunities under section 126 of the Electricity Act." It is a great relief, indeed!

SANTIGRAM, KANJIRAPALLY

The newly-renovated and repainted Santigram building continues to evoke admiration from the visitors, and that makes us feel very happy, telling us that the investment of money in the building was a good move. After a long gap of 9 years, we were able to run The PEACE PROGRAMME, the flagship item of Santigram, for the second year in succession. **Fr Wilson** was away in Bangalore in early May for a meeting in connection with his new assignment as Coordinator for psycho-spiritual ministries. **Fr MJ Thomas** directed an 8-day retreat for a group of religious priests of the Congregation of St. Joseph. That was followed by a 5-day Workshop on METHODS OF PRAYER for Sisters of St. Joseph of Luzern. Early next month, he would be at it again - another Workshop on Methods of Prayer for the first year theologians of Mary Matha Major Seminary, Trichur. **Fr Ephrem** had 3 workshops on Self Esteem and Interpersonal relationships in the month of May. The fourth one had to be cancelled since he had to be hospitalized with acutely low level of sodium in the system, due to severe loose motion that lasted some days. He was admitted to the KIMS Hospital for 3 days. **Fr Binu** from St. Michael's who was on a visit to us spent two days as a bystander, and we appreciate the generosity with which he happily stepped into the role. ICTA had its triennial election of office-bearers, and Mr. K A Sebastian was re-elected as President for the next 3 years.

LOYOLA, MUKUNDARA

The fruit of the academic year is reaped with much happiness. The ICSE board exam results of the tenth class students made Loyola proud. All the five students who wrote their board exam in the name of Loyola School came out with luminous victory. With this very happy note, we are welcoming the new academic year. All the maintenance work is over. The school looks

very fresh in its new colour. With the addition of one more bus, the strength of our fleet has risen to eleven buses. Thanks to Loyola Sreekariyam for blessing us with their gift of one bus. This is a good sign of Jesuit collaboration in empowering each other in a common mission. **Fr Biju Vadakkumchery** made his annual retreat in preparation for his final vows here in Loyola Sadan. Fr Biju also helped our school to update and improve our library system. **Frs Roy Alex, Reji and Thomas Karimundackal** have been our guests in the month of May.

AICUF CENTER, TRIVANDRUM

The month of May was a time of many changes. Aicuf Centre gave a warm welcome to **Frs Prince Clarence and Varkeychen**, and **Fr Babu Paul** was given a fitting farewell. Fr Prince Clarence took charge as the new Director of the Centre and he is slowly getting into the shoes of the Aicuf Chaplin by becoming familiar with the leaders of the movement and its activities. AICUF organized a one-day workshop on May 12 at POC on **Youth and Media** with special reference to college campus on the occasion of KCBC Year of Youth; **Fr George Sebastian** was the resource person. The Jnanasameeksha group had one session on Prophets by **Fr Thomas Karimundackal**, and another session on Church History by Fr Babu Paul. Fr Babu Paul also gave a one-day orientation to the teachers of Fatima Matha Higher Secondary school at Neyattinkara on May 25. We had a gathering of all state office bearers of AICUF in the recent past in the presence of Fr Prince, the new Advisor; the group's evaluation of Aicuf and sharing of experiences helped the new Advisor to get the pulse of the movement. Fr Varkeychan conducted a one-day seminar on Human Development at AICUF center for a group of forty young ladies from the coastal belt. He also gave orientation to the youngsters at the FIDES study center at Poonthura, guiding them to prepare for the university examinations.

SATYA NILAYAM, CHENNAI

SN, Chennai had a worn out look once the Scholastics left by the middle of April. A house that used to be bubbling with life fell silent. All staff members participated in the gathering of the staff of the Assistancy's Common works at JDV for three days, April 16 to 18. **Fr Vibin** went over to Varanasi to do the follow-up to get his certificates. **Fr E P Mathew** proceeded to Loyola School, Pune for making the annual retreat. Fr E P Mathew participated in the meeting of the Deans and Presidents of the ecclesiastical faculties of Asia and Oceania, called

by the Vatican Dicastery of Education, at Assumption University, Bangkok. The meeting was held on May 11, and this was also an opportunity to learn about the Jesuit apostolates in Thailand. Fr E P Mathew also preached a retreat for the Jamshedpur Jesuits at XLRI from May 23 to 31. Nearly 95 Jesuits including the scholastics participated in the retreat. **Fr Prince** and **Sch Stevenson** have completed their studies in Loyola and hence the number of Chennai Jesuits of our Province has come down drastically, but the new comers for Philosophy studies will keep up the Kerala numbers!

KERALA SCHOLASTIC FORUM

This summer had a lot of wonderful things in store for us. We started off with a Vacational Bible study camp at Pallithura, Trivandrum. That was followed by a series of fifteen camps and exposure programmes in the months of April and May. Some of the exposure programmes were in our own Jesuit communities. During our holidays we had an evaluation of the camps and the other programmes, and we saw that these had offered some unique experiences to all of us. Thanks to all the communities who obliged to accommodate us and joyfully shared with us the details of their ministry. We felt quite proud of ourselves as part of our Province. The Forum organized Skill Expansion Programme for Scholastics in the beginning of May in Christ Hall. We thank the Christ Hall community especially **Frs Reji and Raphael Thottan** for the hospitality and concern. **Fr M K George**, Provincial, spent a day with us teaching us basic managerial skills. It was very informative and useful. **Fr P T Mathew** gave us a historical overview of Jesuit presence in Kerala and of the history of Kerala Province. It was followed by a pre-camp conducted by **Fr Vincent Pereppadan**. We also owe a very special thanks to **Fr Saji** for reading through all our Ignatian papers and giving us valuable suggestions during our presentation. **Schs Lijo and Rojas** did a valuable service by collating all our Ignatian papers of this year and of the past years and releasing them as documents.

During our holidays at Pachilakad, we gave farewell to **Fr Anto Muringathery**, former PCF. The young priests of the Province were also with us during the holidays. Our discussions helped us to commit ourselves to the Province's efforts in promoting vocations to the Society. So we proposed to set up a team that would work with the vocation promotor during our holidays and at other times in keeping contact with potential candidates. Our annual retreat was an eco-retreat guided by **Fr Robert Athickal(PAT)** whose views on the environment, faith and religious life gave us a novel experience. We thank our Forum Coordinator **Sch. Midhun** and Summer Programme Coordinator **Sch Lijo** for making this year's summer a memorable one under the able guidance of **Fr Salvin**
