VOL. LVIII NO. 10 ■ OCTOBER 2018 ■ CHRIST HALL ■ KOZHIKODE

FROM THE PROVINCIAL

BE PART OF THE SOLUTION

The Crisis in the Kerala Church and the consequent paralysis in leadership have been unprecedented. Lack of timely and effective intervention has led us to a messy situation from which no one really knows how we are going to extricate ourselves. Lines have been drawn sharply. Rival groups are determined. The war is on. Most of us have been part of a blame game. Blaming the other. Blaming the leaders. Any change for the better can only begin with each one of us individually and collectively owning up our role in the mess, especially the culpable silence of most. 'To sin by silence when they should protest, makes cowards of men,' said Abraham Lincoln.

How do we become part of the solution? It has to begin with a search for the root questions. Questions of values, priorities, orientations and ultimately commitment. Does our commitment to the Man of Nazareth and Human Rights take priority over all other concerns? Can His justice take precedence over my justice? Can His life really become the criteria for final decisions?

May be good to remind ourselves of the quotes: 'There is no more neutrality in the world. You either have to be part of the solution, or you're going to be part of the problem.'

'Be the change that you wish to see in the world.'

TUDI- EACHOME - Relief Work in Wayanad

One and half months after the floods, life is slowly getting back to normalcy for many families in Wayanad. But those who lost their houses completely or partially still wait for stable support from the Government. TUDI was deeply involved in relief work in different parts of Wayanad, collaborating with agencies like Child Fund India, ActionAid, and Loyola College, Chennai. Scholastics from Satyanilayam Chennai, staff and students from Loyola College Chennai and seminarians from J.D.V, Pune rushed to join us physically in relief and rehabilitation work. With their help we built a bamboo hut (multipurpose hall, 510 sq ft) in **Mathoorpoyil** tribal settlement. This was most seriously affected area in Panamaram Grama panchayath. We had a beautiful experience of engaging the beneficiary community also in the construction. Children were the focus of

Child Fund India. With their support we got involved in in three Panchayaths - Panamaram, Kottathara and Kaniyambetta, covering 48 tribal settlements

consisting 775 households. We could provide 500 educational kits, 200 family kits, and initiate 20 **Child Centered Spaces (CCS, Kuttikalkkayi Oridam)**. We envisage that these centres function in collaboration with the existing anganwadis, alternative schools and panchayath community halls. This novel initiative aims at catering to 1500 children under the guidance of trained CCS volunteers. We intend to distribute another 575 family kits and 550 educational kits among school-going children. Through the help of **ActionAid**, we have distributed 400 cots and 45 educational kits to the children of **Arivuda** tribal boarding, and educational assistance to 10 students of Sarvodaya Higher Secondary School, St. Michel's Higher Secondary School, Kannur, under the leadership of **Frs John Francis and Dominic Madathaniyil**, provided grocery kits to 250 households in **Godavary** tribal settlement in

Thalapuzha Panchayath. Being far away from the main road, this settlement was mostly ignored in relief work, and the people were touched by the trouble taken by the school to reach them. The staff and students could return with a sense of deep fulfilment.

An Inter Agency Groups meeting was held at the Collectorate on Sept 26 to evaluate the relief and rehabilitation work in Wayanad. It was chaired by district collector Mr Ajaykumar IAS and attended by many funding agencies and NGOs. **Fr Baby Chalil** participated in it and gave a brief account of the Jesuit intervention in collaboration with Child Fund India, ActionAid and Chennai Loyola College. We finalized a long term plan of recovery and rehabilitation activities with specific focus on **WASH and Livelihood restoration** for tribal people and marginal farmers. With the help of Prashanthi Counseling Centre, we plan to provide psychological support and accompaniment to the people who underwent the trauma of a disaster.

Baby Chalil

ST MICHAEL'S, KANNUR

The **Feast of St Michael** was celebrated in a modest manner in solidarity with the flood victims. St Michael's school was actively involved in relief work among

flood victims. Nalla Padam, with the support of former students and teachers, collected and distributed a truck-full of relief materials among the tribal people of Thalappuzha, Wayanad. Fr Baby Chalil made the local arrangements for us. Our former students independently had earlier sent 22 trucks of relief material to different places. The two-day sports meet was inaugurated by Mr. N P Pradeep, former captain of the Indian International Football Team.

The performance of our students in the Sub-District level games was excellent. Cricket: champions in u/14, u/17, u/19 categories. Foot ball: champions in u/14, u/19 categories. Ball badminton: u/17, u/19 champions. Kabadi: u/17, u/19 runners up. Table tennis: u/14, u/17, u/19 champions. Shuttle: u/17, u/19 runners up. Chess: u/14 champions and u/17, u/19 runners up. An awareness programme was organized for the Higher Secondary students on the **Anti-suicide Day. Gandhi Smarana Varnotsavam** (painting competition) was organized for students of Kannur district by our Alumni Association in collaboration with Kerala Youth Welfare Board and the Alumni Association of SN College, Kannur. **Sri. Ramachandran Kadannappally**, Minister for Ports and Museums, inaugurated the programme.

LOYOLA, ALUVA

After the great deluge we, the members of the Community, except Jack Achan, returned to Loyola on September 1. We were in 'exile' for 18 full days! Jack Achan joined us on 17th after spending a month in Kozhikode guiding retreats and making his own.

Living through the floods was a unique experience for all of us, an experience of a life-time. It wasn't in any way traumatic, but it certainly was challenging & enriching. What stands out in our memories is the tremendous help & support we received from various quarters, mostly from our elder brothers. The Santigram Community

at Kalamassery welcomed us & offered us hospitality with utmost warmth for almost three weeks. We are ever grateful to **Frs Ephrem, Wilson & M.J.Thomas** for their magnanimity of heart! Several of our brother-Jesuits came to Loyola & supported us physically. **Frs Tinu & Manesh** from Loyola Mukundara rushed to help us with two buses full of relief materials such as gum-boots, gloves, facial masks, cleaning materials & necessary provisions. Fr Tinu also managed to get help from Auxilium School, Kottiyam. We are deeply grateful to **Fr Kallepally** & the Mukundara Community. **Fr E.P Mathew** graciously sent a battalion of Scholastics from Satya Nilayam, Chennai, accompanied by **Fr Vibin Padayadan**. The Scholastics worked for a week like 'bulldozers' (to quote Fr Linto). Later a team of **Juniors** came from **Vidyaniketan**, Trivandrum, accompanied by **Fr Prabhudas** and worked for three full days. **Fr Sheise** brought a group of youngsters from Thankey for two days' work. **Archbishop Joseph Kalathiparambil**, accompanied by the VG & Chancellor, blessed us with a visit. Our own **Linto Achan** was always with us, leading us from the front, working harder than any one of us. **Deacon Vivien Andrew** of Calucutta Province (now a new priest), was part of us all through these days! We, in our turn, offered our help to the people of Loyola colony and some other neighbours. The residents of Loyola Colony stayed at Loyola for more than a week, as cleaning operations were going on in the colony.

After two weeks of tough work we had a short trip to Trivandrum to refresh ourselves. Loyola Sreekariyam graciously offered us warm hospitality. We also visited Loyola Mukundara, St Xavier's & Vidyaniketan communities. Ordination of Deacon Vivien Andrew Pattamana was the most beautiful event of the month. He was ordained a priest by Archbishop Joseph Kalathiparambil on September 29 at St. Xavier's Church, Aluva. Hearty congratulations, Father Vivien! May you always find joy & fulfillment in your ministry as a priest! Fr Linto, who was a kind of guardian angel to Fr Vivien all these days, served as the MC for the ordination ceremony.

SAMEEKSHA, KALADY

Fr Vincent Kundkulam conducted a well-documented seminar on the RSS on the Dharmasameeksha series. It helped the participants to understand the undercurrents of the political process in India today. We were happy to have **Fr Dominique SJ** of Sources chretien, France, with us on his way to Kottayam. **Fr Sebastian Painadath** gave a session on the spirituality of John's Gospel at NBCLC, Bangalore. He

also conducted a retreat on 'Divinisation of the Human' and another on the Bhagavad Gita at KL, Malaysia. **Fr Rachans Lukose** left for the UK to attend the Ignatian programme at St Buenos Retreat Centre in Wales. **Fr Xavier Tharamel** gave a recollection talk each to the Carmelite theologians and the priests of Kalamassery forane of the Verapoly Archdiocese. Xavier directed a retreat for the DHM sisters at Niveditha, Chunagumvely.

Fr Toby and the Atmamitra Team together guided a three-day Trainers' Training Programme for a group of 66 FCC counsellors and Principals at Asokapuram. He, along with Sr Deena also reached out to three schools at Navsherrah, Poonch and Rajouri. He found their real missionary spirit inspiring and the mission surviving on a resource sharing model. He felt proud that it was all once a Jesuit mission.

Xavier

VIDYANIKETAN, TRIVANDRUM

We celebrated the feast of the Nativity of Mother Mary with Mass in Kannada presided over by **Fr Antony (KAR)**. Seven juniors from Vidyaniketan, accompanied by **Fr Prabhu**, went to Loyola Aluva to join the Noviciate community in their relief and cleaning work after the floods. We began our first term exam on Sept. 17, and it was a refreshing experience after a gap of two years. Our cultural tour to central Kerala was memorable. We were thrilled to see the natural beauty of Kerala in spite of the damage caused by the floods. The tour helped us to deepen our companionship as we move on to the second term of the Academy.

XAVIER TRAINING CENTRE, PACHILAKKAD

The flood relief work reached its final lap with the collaboration and support of Child Fund and other groups. The Pre-novices were actively involved in delivering relief materials which included household articles, food items and clothes. A recreation shed was built for the tribal colony at Mathurpoyil under the leadership of **Fr Baby Chalil** and helped by brothers from JDV, Pune and students from Loyola College, Chennai. Dayabai stayed with us at XTC to visit the flood affected areas. Dr Sreemon who played a major role in conducting medical camps with our assistance also stayed with us. He gave us a class on personal hygiene and first aid. **Fr Stephen Thadam** came to teach us Yoga. Deacon Bastin guided us through our recollection. Later we had a three-day retreat directed by **Fr Xavier Tharamel** which helped to invigorate and fill us with the Spirit. **Fr Saji** was away to attend a three-day training program for selected psychologists

at Trivandrum. Later, he was invited to Kanikkamatha Convent EMGHSS, Pallipuram, Palakkad to give a training program for teachers.

Siphin

SNEHABHAVAN, KOTTAYAM

Two of our teachers were sent to AMBA Bangalore in July for training and for exploring the possibility to expand the data entry programme. Mr Joji Mathew, Executive Officer and Mr Dominic K J, our computer teacher attended a training programme on 'Inclusive Education and Advocacy' at CHAI, Hyderabad. Mr Dominic had a special mandate to involve in SLF work and has started visiting homes of SLF supported children. Snehabhavan has initiated a mental health clinic in collaboration with Mental health Action Trust (Mhat), Calicut to help our students who face mental health problems. Mr. Sainuddeen from Mhat gave orientation to the parents on mental health programme and he invited them to become volunteers of the clinic. Due to the heavy rains and the floods, the school remained closed till August 29. At the request of the parents, the school cancelled Onam celebrations and donated the collected money for flood relief. Our teachers visited the homes of flood affected students, 15 of them. Mr Joji Mathew is supporting the families to avail Government help.

As recommended by the General Body meeting in July, Computer Training Centre was shifted to Gandhinagar in the first week of September. Two staff members and five students each take turns on alternate days to go to Aymanam for Occupational therapy in agriculture, and on other days they get training at Gandhinagar itself. The other vocational training programmes will also be transferred to Gandhinagar gradually. Mrs Gracy Varghese, the senior most staff, decided to bid goodbye to us on account of ill health. She began working with late **Fr Joseph Kannampuzha** from the birth of Snehabhavan, and she is fondly remembered with gratitude by the staff and students of Snehabhavan.

Ms Lizzy Joseph

PIUS X ITI, EDATHUA

Classes for the first year students started on September 5. The new batch was introduced to the ITI by the Principal, Staff and senior students. Admissions were closed on September 28, and we have admitted 64 students in 5 trades. Last year too we had the same number of admissions. Orientation and goal-setting session was handled by our **Deacon Emmanuel**. Awareness classes on drug abuse were given by the "Venda" group from Ernakulam.

As part of the 'Rebuild Kerala' programme after the

floods, the junior students joined the seniors in helping the Eduthua and Thalavady Panchayaths in the work of assessing the loss by visiting the affected houses and collecting details. The ITI also incurred a huge loss, and that too is being assessed. **Frs Mani Manimala, Varkeychan Mecherial** and **Sunil Padannamakkal** took turns to come and stay with us in order to give a break to the community members after the flood disaster.

AICUF, TRIVANDRUM

Kerala AICUF conducted a State-level Leadership Camp in AICUF centre, Trivandrum. The theme was 'Nationalism and It's Challenges'. Monsgr Nicholas Tharcus, the Forane Vicar, Palayam inaugurated the camp. Sixty aicufers from all over Kerala attended the camp. Aicufer Ms Anitta from Poovar who secured first rank in degree studies from the Kerala University was honoured with a memento given by **Fr Jose Pulinthanath**, the former State Advisor. In September, Kerala AICUF in collaboration with National AICUF conducted a medical camp for the flood affected people at Kalady. Doctors and nurses from the Holy Ghost Medical Mission hospital offered their services, and the camp was inaugurated by Mr. Anvar Sadat, Aluva MLA. Fr Varkeychan and team conducted a one-day leadership vprogram for High School and Higher Secondary School students of Vettucaud which won much appreciation.

Prince Clarence

LOYOLA, MUKUNDARA

The community was blessed with the visitation of **Fr Provincial** on September 10. But Provincial couldn't meet our teachers since it was 'Bharat Bandh'. We are thankful to Fr Provincial for his graceful presence with us. On the Teachers' Day our students took the initiative to pay tribute to all their teachers and they made the teachers participate in various events planned by them. They gave away prizes to the teachers who won the competitions. The losers were made to drink bitter gourd juice also. In the PTA meetings the parents expressed satisfaction with the academic performance of our students. They also pointed out areas where the school has to improve. Our students participated in the ASISC Athletic meet held in LNCPE, Kariavattom. We celebrated the birthday of **Fr Kallepallil** in the school, and the Jesuit community had a dinner out as part of the celebration.

The school has taken a new step in the formation of our students. Hereafter, the four houses (red, green, yellow and pink) will take turns to maintain discipline of the school for a week each. Based on the performance,

the houses will be evaluated. This new venture was inaugurated in a special general house assembly under the title: "Self Discipline: A Divine Act of Compassion". In the oath taking ceremony students pledged to serve their fellow beings and the environment faithfully. We believe that this will help our students to grow in shouldering responsibilities not only on the campus but also in Society.

The process of getting permanent affiliation from the ICSE board has begun. Indeed we need to clear many hurdles to achieve this. **Fr Tinu** gave a one day retreat to a convent school in Kottiyam.

Manesh

SATYA NILAYAM, CHENNAI

Memories of flood relief work are afresh in us as we move ahead in our academic activities. CHIPS 2018 was a major event held on September 20 for which over 100 students from other departments turned up for a day's programme which included paper presentations, group work and panel discussions. **Sch Deslin Paulson** presented a paper on "Dignity in the writings of Pope John Paul II" at the event. **Fr E.P. Mathew** delivered the Keynote Address at the Philosophy Seminar of the Dept. of Philosophy of Govt. Brennen College, Thalasserry on September 12. We joined hands with Chotanagpur Scholastics to celebrate

a very enjoyable KARAM festival on September 21. A Meditation Garden, an initiative of Fr Robin, was inaugurated with community Eucharist. The second-year Scholastics paid a visit to Sri Aurobindo Samadhi in Pondicherry on September 28. Our Football Team once again became champions at the inter-class match of the second shift of Loyola College.

JEEVIKA MIGRANT WORKERS' MOVEMENT

Jeevika joined in hand with Sameeksha for the flood relief works to uplift the flood victims in Chengal, Kalady. Jeevika assisted the local people in the cleaning of 26 houses and wells. The staff of Jeevika visited many

migrant families and camps to identify flood victims among them and distributed relief materials. Jeevika also helped a Tamil migrant family to buy a sack-sewing machine since they had lost their means of livelihood. Jeevika successfully intervened in two salary dispute cases, and also assisted an Odisha migrant to reclaim his house-rent advance that was denied when he vacated. Jeevika continued its work of assisting migrants in getting entitlements like residential certificates and admission of their children to local schools.

The Odisha Catholic Community celebrated the feast of

St Vincent De Paul at St George church Perumbavoor on September 30. Nearly 300 Odisha migrants turned up for the Odiya Mass celebrated by Frs Mathew Onatt CM and Thomas Moolan CM. It was preceded by flag hoisting by Fr James Kallumkal VC, Provincial of Mary Matha Province.

TRIPURA CALLING!

Our efforts to learn a new language are bearing fruit, and we have begun saying Mass in Bengali. We try giving short reflections and taking classes in Bengali. The boys in the hostel are getting trained in Karate by **Fr James Morais** and he has a standing invitation to start teaching karate in some of the schools run by the Holy Cross fathers.

Fr Babu Paul has begun giving some skill training for

the hostel boys. On the **Girl Child Day** held on Sept 3rd he took a half-day session for the girls in the parish on self-confidence and empowerment. We have found a house in a village for our stay and we will be moving to the village in the beginning of October. The whole village seems to be eagerly waiting for our arrival, especially the children and the youth whom we plan to concentrate in the beginning. We had a very good celebration of the **Feast of the Holy Cross** on 15th as we have been enjoying their hospitality. It was a good gathering of all the Holy Cross fathers nearby. We have initiated the process of registering a society named Xavier Educational and Charitable Society, Tripura.

GREETINGS FROM SRI LANKA!!!

Here in the Juniorate, we have come to the end of the First Term and we will have ended our 3-day Cultural Tour by the time you read this. In mid-August all of us went to Kandy for the Province Assembly. It was a good occasion to meet old friends and to make new ones. We participated in Communal Discernment sessions. Later in the month we were happy to welcome the new Kandy Tertians here. I was particularly happy to meet our Anil Kochumethikalam after a long time. From September 16 to 22 I was in Vinayalaya, Mumbai, for the 3-day South Asian Annual Meeting of Juniorate Staff. After serious work in the morning, we were taken in the afternoon to our Communities (St Peter's, Bandra, St Xavier's College, St Mary's, Mazgaon, and Holy Family Parish, Andheri) and also to other places connected with Jesuit History. We were particularly happy to visit Snehasadan, growing since 1962 as Home for Homeless Children, having today 17 Homes, each housing 20-30 children ranging from 5 to 18 years! Since I had stayed in Vinayalaya (1973-1975) when I was doing M.A. Psychology, it was a homecoming for me. I was happy to meet several Jesuit friends of mine -- in the Community, in the Province Infirmary and in the other Communities. A Mass at the Cloistered Carmelite Convent, after which I met all the Sisters, and a Sunday Mass at Don Boso

Shrine, Matunga, where the Salesians welcomed me warmly, brought me much consolation.

LOYOLA JESUIT HOUSE, SAN FRANCISCO

As it has been in Kerala, the scandalous stories of clergy have been rocking the Church in the United States. In the Jesuit parishes where I am assisting, the pastors took bold steps to respond to the situation. In St. Ignatius church, Fr Gregory Bonfiglio asked the lady coordinator of the university campus ministry to give the homily of that Sunday. She expressed the anguish, anger, disappointment, frustration and above all the deep pain that she felt over the reports about the abusive clergy of the church. All Jesuits, including the Rector, the President of the university and the professors sat in silence listening to her words attentively. The congregation felt that she expressed their sentiments. They felt they were listened to. Although it was not the case in every parish, this spectacular Jesuit approach helped to keep the community of the faithful together. Later, our community wrote a letter to Pope Francis offering our unconditional support and prayers at this moment of crisis. I too had a chance to sign that letter.

MARRIAGE CUSTOMS IN EAST TIMOR

Let me share some interesting news about the traditional marriages of East Timor. Before the blessing of the marriage in the church, the seniors of the family with their village chief come together and make the contract (barlake) as to what the boy ought to give to the girl's parents - the number of cows, pigs, land and money, etc. This process, called BARLAKE, is the cornerstone of the indigenous culture of East Timor. If the boy is unable to give all these, the boy and the girl may live together and raise children and continue to be so even to the end of their lives! Children are baptised though parents are not in communion. This deep rooted tradition poses a major problem for the Catholic Church.

Barlake represents a contract between two families to form a union, and should this union fail, all the goods and animals exchanged at the time of the contract must be returned.

Barlake could be good as it is part of the East Timorese culture and values and protects women. And it could be bad because men buy women in marriage and this leads to domestic violence and subjugation of women.
