

Kerala Tidings

VOL. LX NO. 1 ■ JANUARY 2020 ■ CHRIST HALL ■ KOZHIKODE

FROM THE PROVINCIAL

Dear Friends in the Lord,

I wish all readers of Kerala Tidings a peaceful New Year as we step into 2020. I find it significant that the Church observes January 1st every year as World Day of Peace (although the UN has it on September 21). Living amidst forces of increasing conflict and hatred, it would ask us to seek new ways of living in peace and harmony. A critical term in the ongoing political discourse is 'citizenship'. The notion got transplanted from the city-states of ancient Greece to the nation-states of today, with new embellishments. Elitism has been the hallmark of citizenship from its origins with clever norms of inclusion and exclusion. We see new norms getting devised every day.

The Christian idea of citizenship rooted in the 'Reign of God' transcends cities and kingdoms and nations-states. It transcends boundaries that are human made and overlooks skin colour and dress colour. It echoes the heaven of freedom that Tagore sang about. Many have dreamt of such a world and continue to do so. Pope Francis' 2020 World Day of Peace Message has as its title "Peace as a journey of hope: dialogue, reconciliation and ecological conversion." He urges us to break the spiral of vengeance and set out on the journey of hope. Let 2020 be a year of journey in hope for all.

E.P. Mathew, SJ

SANTHINILAYAM, KOTTAYAM

On the recommendations of **Fr Pious Vacha**, we gave accommodation, in several beaches, to over 500 young men from a military entrance coaching center in Trivandrum. They were here to take part in the recruitment to the army, held in MG University campus. The young men gave us some sleepless nights but it was instructive to watch every one of their offences being punished by their instructors in no-nonsense military fashion.

On the Sunday before Christmas, the usual Hindi Mass for the inter-state workers was followed by a Christmas celebration with tribal dances. Sunny rose to the occasion by giving a Modi-type speech in pucca Hindi. The setting for our Crib was a mini Israeli kibbutz complete with terraced wheat fields, the creation of Jithin and Emmanuel. Sunny passed in First Division the MSc Counselling and Family Therapy course of IGNOU, securing 73.5 % marks. Pulickal made his annual retreat in Pius X, Edathua, along with TM Joseph. Both of them recommend the place for private retreats. The quiet and the green around and the canals criss-crossing the landscape - and the goodness of the community and the cook - will work on you for the better, even if God doesn't turn up!

Joseph Pulickal
